

Charoset

Symbolic of the mortar and bricks that enslaved Jews used to build the Pharos cities, this sweet food is delicious!

The following recipe makes 4 cups (approximately 64 tablespoons)

- 1 Pound of Apples
- 1 ¼ Cups Walnut Halves
- ¾ Teaspoon ground Cinnamon
- 3-5 Tablespoons grape juice

1. Peel, core and chop the apples. Add the cinnamon and juice and mix well. Alternately put all ingredients in a food processor and pulse a few times. Taste and add more cinnamon or juice if needed.

Charoset should have the consistency of coarse paste. If you do not have access to a food processor, please finely chop the apples and nuts.
