

It's time to prep for Operation Christmas Child!

Shop for Hygiene Items this
week, 9/13 - 9/19

Let's start shopping as a church body so we can come together this Fall for an Operation Christmas Child Packing Party! If we start purchasing now, we can economically fund many boxes for children across the world. Please bring your purchased items to church so we can plan for the Packing Party.

Toothbrushes ~ Please buy small multipacks or individually wrapped toothbrushes. Each child needs to have unopened packaging, so large multipacks (Costco size) will not work. No toothpaste! It is not allowed. **We need 300 toothbrushes!**

Hair Brushes ~ Please consider size in your purchase and select small sized brushes.

For 5-9 year old girls:

Hair Accessories ~ Hair ties, headbands, clips, scrunchies, whatever you think is fun.....we want to add something for her hair to every girl's box! **We need 150 hair accessory packages!**

For 10-14 year old boys:

Deodorant ~ Please buy only solid stick deodorant. Liquids and aerosols cannot go into the shoeboxes due to rules. **We need 150 boys deodorants!**
